**SUBJECT: TECHNICAL EVALUATION FOR ACQUIRING THE
SOLUTION OF CPEIC AUTOMATION & INFORMATION
MANAGEMENT SYSTEM (A&IMS).**

Reference to the subject cited above. It is informed to you that your technical proposal for acquiring the solution of CPEIC Automation & Information Management System (A&IMS) has been rejected by the Technical Evaluation Committee (TEC) in its meeting dated 07.01.2016 on the following grounds:-

- a) M/S GM International has not implemented any mega project similar in nature which shows immaturity in experience.
- b) Claim of providing IEEE/ISO specification for documentation cannot be justified as the firm is not an ISO certified.
- c) No. of business experience in Software & Hardware is not defined, shows no or lack of experience in the field.
- d) Firm claimed that it implemented complete solution at RIC, Rawalpindi. But in actual, HIMS is not implemented there except registration of patients.
- e) The administrator, Doctors Hospital & Medical Center has denied the claim of M/S GM International, Lahore that it implemented HIMS solution there. It means M/S GM International deceived the institution.

You are therefore, directed to illustrate the grievances (if any) within ten (10) days up to 22.01.2016 at 11:30 am before the Grievance Committee of CPE Institute of Cardiology Multan to proceed in this regards.

Your prompt action will be highly appreciated.
